Bacc Core Classics (Baccalaureate Core Playlist)

Consider the offerings in each category relative to this theme. Remember that each Bacc Core category requires the completion of one (1) course. The Bacc Core Playlists draw primarily from the Perspectives and Synthesis areas of the core and do not constitute complete coverage of the Bacc Core. For example, the majority of lists do not include courses from every perspectives sub-category, nor do they incorporate/address the Skills areas of the core.

### Biological Science
- BI 101 or 102 or 103 General Biology (or discipline-based Biology levels)
- BOT 101 Botany: A Human Concern
- MB 230 Introductory Microbiology
- SUS 102 Introduction to Environmental Science & Sustainability
